

## Place Getters and Judges Comments

### Heifer in Milk

1<sup>st</sup> place Jeremy Barwick, (Luckystrike daughter)

Russell Manton's comments: A heifer with balance of strength and angularity, rump structure near to ideal. Tracking on correct feet and legs, soft textured udder with long well attached fore udder that is snug to the body wall.

2<sup>nd</sup> place Samantha Evans (Dundee daughter)

Russell Manton's comments: A strong powerful heifer that is strong through the loin – near ideal rump structure, leg set and foot angle well above average. A well attached udder from every angle

3<sup>rd</sup> place Mark Atkins (Juror daughter)

Russell Manton's comments: A tall long bodied heifer with exceptional overall bone quality and soft silky hide. Udder attachments for fore udder and width well above average, teat placement and texture extreme

4<sup>th</sup> Tim Robertson

5<sup>th</sup> Richardson Family
